## Freedom and Love

After the events of 3x14 the morning takes a different turn. There will be Elena bashing, Salvatore brother bonding, and Mikaelson sibling bonding. But most of all it is a DamonxRebekah story.

><p>Rebekah wakes up next to Damon a smile on her face. She hasn't had someone be rough with her in years and she quite enjoyed it. Damon awakes moments after with the same thoughts in his mind. He leans over and places a gentle kiss to her cheek.<p>

" Morning " she says in the accent that makes his heart flutter in a way no others had before.

" Morning " he replies in his deep voice that makes her stomach get all queasy in joy, especially after last night.

" Can you speak Italian ?" she asks suddenly.

" Non so signora Mikaelson, fa questo suono come italiano a voi?" Damon says with a smirk.

" Lo fa il Signor Salvatore" Rebekah replies smiling.

" How many languages can you speak?" Damon asks wrapping an arm around her.

" Quite a few, some are dead languages " Rebekah says looking at the clock she sighs. " I should probably go " she says a bit of disappointment in her voice.

" Wait, um if you don't want to you can stay here for a bit " Damon says unsure of what he is doing.

" I don't have anything but the dress you ripped " Rebekah complains.

" We'll see going home to your over protective brothers in a ripped dress can't be a good idea " Damon protests.

" They would be angry with me " Rebekah says seeing what Damon will say to keep her there, so she knows if he is playing with her or not.

" Remember what we drank to? Don't let others tell you what to do. You decide for yourself I'm sure my old play thing Andy left some clothes in my bottom drawer over there " Damon says pointing. Rebekah could see in his eyes that he wanted her to stay. She decides to string him along just a little. She opens the bottom drawer and in the corner of her eye sees Damon's face fall just a little, it recovers so quickly if she hadn't been watching right then she would've missed it.

" Well she has horrible shirt taste could I borrow one of your shirts for now?" Rebekah asks a smirk.

" Of course " Damon says getting up and going to his walk in closet. He grabs a black t-shirt with three buttons down from the collar.

" Not bad, you only have black?" Rebekah asks. Andy's dark wash almost black jeans already on Rebekah.

" I have navy blue " he says a bored expression on his face. She grabs the oversized shirt pulling it over her head and straightening out her hair. She walks into the bathroom and double checks herself. Even though the shirt went below her butt she still thought she looked good. The warmth and scent of Damon still with her as she debates what to say next.

" Thanks " she says finally a flirty smile on her lips. and Damon looks a little sad she is leaving so soon.

" Elena is here " he says as they both here Stefan open the door. She glares and moves to leave.

" Did you sleep with me because of her?" Rebekah asks pausing before Damon can try and stop her.

" No " Damon says without hesitation. " I broke Kol's neck because of that " Damon adds. Rebekah smiles softly.

" He needed that it could do him good " Rebekah says.

" I doubt he'll see it that way " Damon says.

" Well he can get over it, his ego is almost as big as yours and he's had a thousand years to grow it. " Rebekah teases.

" Not funny " Damon says with a lopsided grin. Rebekah smiles and starts to giggle when he tickles her stomach.

" Damon please " she says and he pushes her on the bed.

" Take back what you said " Damon says smiling.

" No " Rebekah says looking her nails. Damon tickles her again sending her into a fit of giggles.

" Take it back " he says moving his hands down to her feet. She squirms and shrieks, she hadn't felt this care free in centuries.

" Alright I give Damon. You do not have a large ego just an inflated sense of self worth " Rebekah says. He puts his right hand over his heart as if she shot him.

" Your dead now " Damon taunts and she giggles backing away from him. She throws a pillow at him and he catches it with ease. He slams it against her and she gives him a pointed look.

" Oh it's on " Rebekah says grabbing another feather pillow. She hits him in the side of the head and their pillow fight begins. She swings when towards his mouth and he catches it tearing the pillow open with his teeth. This makes her laugh and grab another pillow and their fight starts again.

><p>" What is going on in Damon's room I heard a woman shriek ?"  
Elena says.<p>

" You should have heard last night " Stefan says casually. He listens smiling as his brother tickle the Original like she is a normal girl and not a very powerful vampire who could kill him before Stefan could get upstairs.

" No I heard her say mercy I'm going up." Elena says. Stefan warns her not to but she walks up anyways. Stefan puts down his book and follows her anyways. He smiles softly when Elena opens the door. Damon is tickling Rebekah's stomach and demanding she take back whatever it is she said. He sees Rebekah wearing what he guesses are Andy's jeans and one of Damon's shirts. Damon only had his boxers on. To top it all off the room is covered in feathers and there is a certain air of happiness in the room.

" What is going on ?" Elena demands. Damon and Rebekah look up from the bed and I know Damon has a true grin on his face.

" Need something bitch ?" Rebekah asks and I have to stop a laugh.

" Don't be mean " Damon says his eyes only meeting mine before drifting back to Rebekah.

" You like mean " Rebekah says and Damon bites her bottom lip.

" You know it " he says grinning.

" You compelled him didn't you " Elena says marching in.

" He drinks vervain " Stefan says rolling his eyes.

" Why would he be like this, acting so foolishly with her ?" Elena asks.

" Because this was my brother before the vampires, Katherine, the war. He was a lot of fun " Stefan says and Damon grins.

" There were a lot of wars why would one affect him ?" Elena asks.

" It was the civil war and I fought in the confederate army that is how it affected me I had to grow up " Damon says sitting up and pulling Rebekah to his lap.

" She tried to kill me " Elena says.

" She didn't " Damon says.

" She could've "Elena whines.

" I don't really care, Stef please escort the human from my room I'm a bit thirsty " Damon says showing his fangs. Elena gulps and walks downstairs.

" I didn't think you had it in you " Rebekah says.

" Well I was just reminded last night that vampires are better at humans than everything " Damon says kissing her neck.

" About time you stop following her around " Rebekah says smiling.

" Well I wasn't lying I'm hungry and I haven't had human pray in too long " Damon says.

" Well come on I want to hunt " Rebekah says standing and pulling him up. He grabs a navy blue t-shirt and jeans he puts them on grabbing his jacket before following Rebekah downstairs. Elena is following Stefan around while he tries to ignore her.

" Stef we are going hunting want to join?" Damon asks.

" Yes " Stefan replies setting down his book.

" Wait I've never been can I come ?" Elena asks.

" No " all three say at the same time.

" What if Klaus comes here demanding to know where Rebekah is?" Elena asks crossing her arms.

" Don't know why you'd be hanging around our house still "Damon says.

" You should be more worried about Kol " Rebekah says before leaving with Damon, Stefan following behind.

" Alright little brother today you will learn self control 101, you are going to stop when I say so or deal with the consequences" Damon says.

" Alright where are we hunting ?" Stefan asks.

" Everyone in this town is full of vervain we are going to Idylwood " Rebekah says. The two boys nod and follow after her. She runs at a slower pace so they can stay with her but they make it to the town in 4 minutes.

" Hold on. " Damon says seeing a black bird. He looks into the bird's eyes and the bird flies off.

" What did you do?" Stefan asks.

" Bird enchantment it's going to scope out prey " Rebekah replies. The bird soars back and they follow it to the creatures.

" I have another old trick up my sleeve " Damon says extending his hands and the fog starts towards the four campers. They all stand up looking around. Rebekah moves in and grabs the father. Damon takes the son and snaps his neck before grabbing the daughter. Stefan grabs the wife covering her mouth. Rebekah extends her fangs and bites the man. He squirms to no end and once the fog is lifted he becomes enraged at seeing his son dead, his wife, and daughter being drained. Stefan starts to feed harder and Damon drops his now drained girl and moves to his brother.

" Enough she is dry " Damon says softly. When Stefan doesn't listen Damon shoves him away snapping his arm. " Enough " Damon repeats.

" The boy " Rebekah says dropping the male. " You drink him Stefan you are the weakest here " she says. Stefan moves and starts to drink.

" Stop " Damon says when he knows the boy is dry. Stefan pulls away wiping his mouth.

" Messy eater that one looking at Stefan " Rebekah says and Damon grins.

" You have no idea. Come on we need to clean this up " Damon says slapping Stefan on the shoulder.

" Alright too bad they didn't run that's the fun part " Rebekah says turning to the man and sighing to her nails before ripping him apart it looks like he was mauled.

" Get rid of the son his neck was snapped no animal could have done that " Damon says Stefan nods and picks the body up rushing to the mountain side and throwing.

" I thought you were against killing " Rebekah says.

" I let Elena change me for the worse in my opinion we are above humans especially you " Damon says kissing her.

" You better believe it " she mumbles wrapping her arms around his neck.

><p>" Bekah should be home " Klaus says.<p>

" She went to the Grill lets start there " Kol says itching to hurt someone.

" Alright " Klaus says and they go in seeing Matt go out back they follow you.

" You can't go back there " the bartender says. Kol glares and the man smirks.

" Don't fight me little boy " the man snaps. Klaus laugh and Kol walks over picking shot glass up. The man watches in disbelief as Kol shatters the glass with a squeeze of his hand and impales him with the glass.

" Can we go out back?" Kol asks as the man's eyes widen and his hand flies to his stomach.

" I'll take his silence as a yes " Klaus says and Kol goes in front.

" Matt mate where did Rebekah go?" Kol asks.

" You almost broke my hand " Matt says.

" Don't test him he'll do worse " Klaus warns.

" You're the bad guy " Matt snaps. Kol sighs picking up a knife and a towel. Matt gets the towel in his mouth and a knife through his hand sticking it to the counter.

" Let's try this again where is Rebekah ?" Kol asks pulling out the towel.

" You're insane " Matt cries. Kol sighs and twists the knife harshly.

" Ready?" Kol asks and Klaus leans onto the wall watching.

" Never you don't get to know " Matt says.

" She is my little sister " Kol says lifting the knife out of the hand and making a slice on the knuckles before slamming it back into Matt's palm.

" Fine she went with Damon last night " Matt breaths out.

" That wasn't hard " Kol says sadly turning to leave.

" My hand " Matt cries.

" Oh aren't you a quarter-back my bad " Kol says walking out, Klaus shrugs and follows his younger brother.

" We are going to pay the Salvatore boarding house a visit " Klaus says and Kol nods. They both super-speed to the house opening the door. Testing it Klaus walks in followed by Kol.

" They aren't home, Rebekah was here. I swear if they hurt her they

are going to wish they were never born " Kol growls.

" Patience brother I smell them getting closer all of them " Klaus says looking in the liquor case.

" Look here this stuff is older than Damon himself " Kol says.

" That happens to be mine no matter how old " Damon says.

" I want it " Kol says smelling it.

" I snapped your neck once " Damon says glaring.

" Oh calm down Damon you have older and better " Stefan says Rebekah coming in last.

" Kol don't you have someone to torture ?" Rebekah asks.

" I just finished we only know you came here because Matt finally decided he valued his hand " Kol says. " Wasn't that your little toy, that you decided not to kill " Kol says. " Did you only sleep with Damon to get over that piece of garbage ?" Kol asks playing on Damon's emotions.

" Ignore him he is playing his favorite game" Rebekah says.

" Is it true?" Damon asks.

" No I never really wanted Matt. Why did you sleep with me? " Rebekah asks. Klaus scowls and Kol smirks thinking Damon is about to get killed by Rebekah. Stefan walks down into the main room curious as well.

" When I saw you talking to Matt I got a surge of jealousy. I wanted to kill him but then he walked away and I saw my chance " Damon says taking her hand.

" Let's see another girl's pair of jeans, not Elena's too expensive and long. Along with Damon's shirt and your shoes from last night. You look terrible " Kol says. Rebekah lets out a growl and Damon takes her into his arms.

" He is messing with you " Damon says softly and Kol smirks.

" Not bad Salvatore " Kol says extending his hand. Damon takes it and Kol starts to squeeze. Damon does the same thing but a little harder to match the force and Stefan rolls his eyes at Damon.

" Kol let him go " Rebekah says pouting. Damon and Kol let go at the same time both their hands red.

" Bekah go home and put some real clothes on I'm going to chat with Damon " Klaus says.

" I'll be fine " Damon says and Rebekah nods dashing from the house.

" I think you need to understand if you hurt our sister we will kill you " Klaus says.

" Slowly " Kol adds.

" I know " Damon says taking the bourbon off the table and pouring everyone a glass.

" Bekah falls in love quickly and full heartedly " Klaus warns.

" Damon does too " Stefan says earning a glare.

" Then Elena?" Kol asks.

" Was a jealous " Damon admits.

" What?" Stefan asks.

" I tried to teach you a lesson as the years went on every time a girl was chosen over me I would come in ruin everything and leave you  
" Damon says taking a sip.

" You just wanted your little brother back I can understand wanting siblings back " Klaus says.

" Yet you daggered us anyways " Kol says and Klaus gives an apologetic smile.

" Well if it comes to you or Elena this time I will choose you "  
Stefan says and Damon smiles.

" Brotherly bonding I like it " Rebekah says walking back in with her clothes on. She is wearing a just above the knee white sweater dress with knee height stiletto black boots.

" How did you run it those " Damon asks walking to her.

" A thousand years of practice " Rebekah says bending her head down to kiss him.

" It makes you taller than me " Damon complains.

" Well seeing as you're in good hands we expect you home by 5 " Klaus says and the two brothers blur from the room.

" They like you " Rebekah says sitting on his couch extending her hand. Damon gives her his glass. " Day drinking Damon what have you done to me " she complains.

" Elena is back, with Bonnie and Caroline " Stefan warns. Damon scowls and subconsciously takes Rebekah's hand.

" Woah I know we are here to be angry at you and all but I love your shoes " Caroline says as they walk in.

" What do you want doppelg nger?" Rebekah demands.

" To leave Damon alone " Elena says looking down at Rebekah. Rebekah stands up now much taller thanks to her shoes.

" I don't want her to leave me alone " Damon says standing up as well. Stefan goes to his brothers side.

" Stefan back me up " Elena commands.

" No I've put you before Damon too many times " Stefan says moving close to his brother.

" You're going to make me blush Stef " Damon and making Stefan roll his eyes.

" Leave Elena neither brother wants you, and you don't have a right to tell me or them what to do " Rebekah says.

" Damon loves me not you " Elena says reaching her hand up to slap Rebekah. Damon catches her hand and squeezes hard until he hears a snap.

" Damon " Caroline says angry going to bite her wrist.

" No don't do that " Bonnie says. " Elena needs to learn a lesson she can't control a vampire " Bonnie says and Caroline sighs.

" You can't be siding with the she devil " Elena growls tears forming in her eyes.

" Get her out of here before I do it myself " Stefan says to the two girls. They grab Elena who shakes them off standing her leaves with Caroline done with Elena's attitude.

" No, I won't let this happen tell me you love me " Elena demands walking towards Damon. Rebekah snarls and has Elena across the room in a second. Elena is pinned to the wall by her throat and is choking.

" Stay away from him " Rebekah commands and Damon smiles a captivating smile that has Rebekah back at his side quickly.

" You don't own him " Elena says in her whining voice.

" Neither do you " Rebekah says.

" Elena out I don't want you here " Damon says.

" This isn't your house " Elena snaps.

" Well it isn't yours not since you died. Then considering I'm Stefan's legal guardian it is my house as well, he is seventeen and can't really make sensible decisions about woman so he isn't allowed to date " Damon decides making Stefan smile.

" He is older than seventeen " Elena says.

" Well I'm his older brother I'm in charge " Damon says. " Now get out " he says in a low voice.

" Stefan tell him he can't " Elena protests her hold on the Salvatore brothers gone. Damon grabs her neck showing his fangs.

" I've wanted to do this for a long time " he says biting her shoulder. She squirms while Rebekah's heart soars at him doing this. She knows she is falling in love and this time it feels different she embraces it more. Stefan watches torn between helping the girl he

still has feelings for and sitting back watching his brother feed. he always enjoyed doing it. His brother fed so much differently than him, he didn't do it hard but softly and cruelly at the same time. When Elena starts to go pale he lets go and glint in his baby blue eyes.

" Go before he finishes you off " Stefan warns. Elena starts sobbing.

" Your mother will kill you tonight all of you, Finn is going to be the sacrifice the champagne last night had my blood in it you are bonded. " Elena says.

" Bitch " Rebekah says taking Damon by the hand to stop herself from killing Elena.

" You are going to die and all you can do is insult me?" Elena demands.

" We kill your mother. It will stop the spell " Stefan says to Rebekah.

" Take her messing with a hand won't be enough for Kol " Rebekah says and Damon grabs her arm tossing her like a ragdoll to Stefan. Reluctantly Stefan brings her to the car hoping he can find a way to stop the torture Kol will dish out.

" See you there " Damon calls and he and Rebekah blur out towards the Mikaelson mansion.

" What to do with you " Stefan says.

" Please Stefan your blood I need it " Elena begs.

" Are you done bothering Damon and Bekah ?" Stefan asks.

" She's Bekha to you now?" Elena demands.

" I knew her in the twenties we were friends so was Klaus and I " Stefan informs her biting his wrist. She drinks feeling like herself again she lets go.

" Now Kol can't kill me " she says smugly.

" Of course that is why you wanted the blood, but he can if he wanted. In fact he probably will just so he can make you drink a person, before kills you for real " Stefan replies.

" You won't let him neither will Damon he will see he still loves me " Elena says. Stefan rolls his eyes and drags her to the car.

" Get in " he commands and she complies not wanting another Salvatore angry with her. She sits quietly the whole ride.

><p>" You're buying me new shoes they heels broke because of you " Rebekah says and Damon nods rolling his eyes. She throws the broken boots into a corner a frown on her face.<p>

" Back so soon sister, and you brought him " Klaus says and Damon smirks.

" She just couldn't be without me " he says and she rolls her eyes.

" Remember what I said this morning?" Rebekah asks.

" And remember the cost?" Damon asks raising an eyebrow. She smiles and giggles. Kol looks up at the noise.

" You'll have to get new pillows and a vacuum after you get all the feathers " Rebekah says.

" Worth it " he says wrapping an arm around her waist.

" Onto business, our mother is going to kill us " Rebekah says.

" You're lying " Elijah says walking in and eyeing Damon's arm like he wanted to rip it off. That only made Damon pull Rebekah closer.

" No she isn't Elena helped the champagne you drank links you all together " Damon says. " One of you dies so do the others " Damon clarifies.

" The bitch Elena is in for it now " Kol says a knife suddenly in his hands. Damon raises an eyebrow.

" He has them on him always " Rebekah explains. Kol flashed a devious smile that Damon returns.

" Don't worry Stefan is on his way with her right now. The plan is to kill your mother " Damon says.

" You can Klaus you did it before " Kol says standing up.

" For her little friend Bonnie who has been a thorn in my side I have Rayna Cruz's blood to harm her with and give her " Damon says.

" I don't know how or where you got it but what form is it in?" Kol asks.

" Pill and bags we can inject it into her and make her drink it. You keep her scared she can't hurt us " Damon says.

" Wait you want in on this?" Kol asks.

" Bonnie I do. Not Elena I'd probably kill her too quickly. I have experience with torture " Damon says.

" Trust me he does. Should've seen that Mason Lockwood a bloody mess when we got rid of his body. Damon burned with made him eat wolfsbane and ripped out his heart to kill him. We were short on time and had to tie up loose ends quickly " Stefan explains.

" I wish I had longer, Elena's kid brother Jeremy watched as I made him eat wolfsbane and left before I could kill him. " Damon says glaring at Elena who looks healthy.

" You let him watch that " Elena demands and Damon rolls his eyes.

" Lucky I didn't snap his neck, again " Damon snarls.

" Calm down we just have to get rid of Esther we will do it together  
" Rebekah says.

" I'm out I have a torture to plan " Kol says a plan formulating as  
he grabs Elena by the arm. " Go by a necklace give it to Bonnie's  
mother for Bonnie " Kol instructs dragging Elena towards the  
basement. Damon kisses Rebekah before heading out.

" Pretty necklace it's mine now " Kol says ripping it off her before  
strapping her down to a chair with chains.

" Please let me go " Elena begs.

" Why love, we are just getting started. You see you have no one  
Stefan is all done with you, Damon is already in love with my sister.  
Your friend Caroline will be fine without you. Bonnie well I have  
plans for her " Kol taunts pulling out a knife. He raises it and  
Elena shuts her eyes turning away.
